Application for nursery school of the school year 2012

Application for nursery school enrollment from April 2012 will be accepted from December 1st (Thu.) Those who have applied from 2009 and been on the waiting list will also have to apply again.

List of nursery schools: see the list below.

Eligible: If parents (or guardians) are not able to take care of their children during daytime because of following reasons, the children are allowed to be enrolled.

- (1) Parents work outside of their house. (min. 4hours/day, 15days/month)
- (2) Parents work at home (besides housework) away from their children(ex. self-employed)
- (3) Mother is pregnant (in the month of the childbirth and before/after 2months)
- (4) Parents are hospitalized or go to the hospital often because of illness or injury, or mentally or physically disabled.
- (5) Parents have to take nursing care of families or relatives for a long time.
- (6) Family had a disaster like earthquake, storm and flood damage or fire and must work for recovery.

How to apply: Bring the application form with other required paper to the nursery school or nursery division of city hall.

- (1) Applicants for the nursery school in Ichihara should apply from December 1st (Thu.) till January 16th (Mon.)
- (2) Applicants for the nursery school outside Ichihara should apply from December 1st (Thu.) through 2 days before the closing day for application (the last day of closing is December 22nd.(Thu.)

Application form will be distributed from November 16th (Wed.) at Nursery Division,
branch offices or each nursery school.
